## Conference Scope

The 7<sup>th</sup> International Conference on Hydrogen Safety ICHS 2017 will be held in Hamburg, Germany on September 11-13, 2017 under the auspices of the International Association for Hydrogen Safety "HySafe", see [www.hysafe.info](http://www.hysafe.info). The ICHS 2017 will include thematic plenary sessions, topical lectures and parallel oral and poster sessions of contributed papers. The conference seeks to strengthen the near term introduction of hydrogen technologies in the market place.

## Themes and Topics

- Behavior of Gaseous and Liquid Hydrogen and hydrogen mixtures
- Physical effects, consequence analysis
- Hydrogen effects on materials and components
- Risk/safety management
- Regulations Codes and Standards
- Education, training, lessons learned & best practices
- Safety in H<sub>2</sub> infrastructure
- H<sub>2</sub> fueling stations deployment
- Fuel cells and electrolyzers related safety issues
- Safety in H<sub>2</sub> vehicle & supply infrastructures
- H<sub>2</sub> Safety aspects in other applications/ industries
- Safety of energy storage

## Key Deadlines

- Abstracts deadline: January 30, 2017
- Abstracts acceptance notification: January 31, 2017
- Full papers submission: March 31, 2017
- Paper acceptance notification: June 1, 2017
- Submission of papers final versions and payment of conference fees: July 15, 2017
- ICHS Conference: September 11-13, 2017
