

08.01.2016
NOW Journal 01/2016

Dear Sir or Madam,

As of immediately, you may register your participation for the following events: the Fuel Cell Electromobility in Rail Transport Symposium, the On-site Electromobility Specialist Conference, and the Supplier Marketplace. Please click on the links to the respective pages as listed below for full information.

In addition, online voting for the next GreenTec Award has commenced. Europe's largest business and environmental prize will be conferred in Munich on 29 May 2016.

And last but not least, we'd also like to wish you a happy and prosperous start to the New Year!

Best regards,
Your NOW Team

NEWS

Fuel cell buses already now protecting the environment

By the time of the beginning of the UN Climate Conference in Paris, the zero emission bus project CHIC (Clean Hydrogen in European Cities) has already saved more than three million litres of diesel, thereby illustrating that fuel cell bus technology is already serviceable and contributing to the reduction of CO₂ emissions ...
