NOW Journal 05/2016

Dear Sir or Madam,

At this year's H2Mobility Congress, which took place on 12 April, key representatives from industry and politics renewed their commitment towards hydrogen mobility. Around 200 specialists participated at the international event at the BMVI in Berlin.

The NOW 2015 Annual Report was released on the occasion of the Hanover Industrial Fair at the end of April. It is available now for immediate download in both English and German (see below).

Kind regards,
Your NOW team
